SUBMISSION OF OPPOSITE PARTY

The opposite party has not submitted any relevant documents in this case.

OBSERVATION

The case is pursued with all documents available on record and merit of the case. The complainant is an existing consumer of electricity under the operational area of TPWODL bearing consumer No 4164-3202-2188, having CD-0.06KW under LT-Domestic category coming under ESO-Hatibari & initial power supply effected on 01.05.2013. On scrutinizing the records in detail, the Forum observed the following facts which are envisaged here under that,

- 1) On examining the case in detail, the Forum observed from the licensees available soft records (FG & Samadhan App) that a new meter SL.No." WUS13208" was installed during July/Aug-2016 but, no consistency of readings recorded for billing that has led to abnormal & provisional billing intermittently. The last actual billing with current reading of kwh" 5670" was recorded in Aug-2024. Then, Sept-24 to Jan-2025 bills charged on average basis.
- 2) That, a new meter having SL. No." TWST15006949" was installed on 11-Mar-2025, replacing the old meter No." WUS13208" & actual bills continued to charge till last billing till Jan-2026.
- 3) That, the above mentioned meter has been continuing with last actual reading of kwh" 8625", recorded upto Jan-2026 billing.
- 4) The Opposite Party failed to submit the relevant documents, even after giving sufficient reasonable time to furnish & is perceived to have nothing to submit in support of their views to the case. The case is decided based on the available documents, records & merit of the case.
