- The complainant submits that, provisional/average bills have been served to him due to which high billings have been done resulted to accumulation of arrear.
- He further submits that; he had made verbal complain to the respondent about the erroneous bill.
- He also requested the Forum to revise the bills.

2. Reply Submission of the Respondent:

- The respondent produced the billing abstract from Sep'2018 to Jan'2024 and a PVR dated 20-01-2024 mentioning the meter reading as "2634" KWH of meter no. LW487202.
- The respondent also agreed to the provisional/average billing from Sep'2018 to Oct'2019 and agreed for revision of bills. However, the respondent requested the Forum to take appropriate decision as necessary.

Findings of the Forum

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents and provisions of law have concluded as follows:

- That the complainant has been given power supply on 01-09-2018 without a meter and billing started from Sep'2018. From Sep'2018 to Oct'2019, provisional/average bills have been served @ of 144 units due to without meter.
- In the meanwhile, a new meter bearing Sl. No. LW487202 has been installed on 22-11-2019 in the premises of the complainant.
- Therefore, it is decided by the Forum that, the average period bills should be revised.
- It is also noted that, after meter change the billing for the month of Nov'2019 has been done @180 units taking the higher average units of previous billing despite the meter reading of the new meter has been recorded as "74", which also needs revision.

Directions of the forum

In view of the above findings and discussions, the Forum is of the view that,

- The provisional/average bills served to the complainant from Sep'2018 to Nov'2019 are to be revised as per the average of six consecutive billing of new meter as per Section 155 and 157 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.
- Any adjustments done during the revision period are also to be taken in to consideration.
