That the Complainant has raised objection regarding the provisional/average bills served to him. He requested for revision of bills and mentions about verbal complaint being made to the respondent earlier on.

## **Gist of Arguments made by the Parties**

Both parties were present in the hearing. The contentions made by the parties are as follows:

### **1. Submission of the Complainant:**

- The complainant submits that, average bills have been served to him due to which high billings have been done resulted to accumulation of arrear.
- He further submits that; he had made verbal complain to the respondent about the erroneous bill.
- He also requested the Forum to revise the bills.

### **2. Reply Submission of the Respondent:**

- The respondent produced the billing abstract from Feb'2017 to Nov'2023 and a PVR dated 12-12-2023 mentioning the meter reading as "1518" KWH of meter no. WHL045744.
- The respondent also agreed to the provisional/average billing from Jul'2017 to Oct'2021 and agreed for revision of bills. However, the respondent requested the Forum to take appropriate decision as necessary.

## **Findings of the Forum**

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents and provisions of law have concluded as follows:

- That the complainant has been billed on actual meter readings up to Jun'2017 with a meter reading of "1050" of meter no. 369472. From Jul'2017 to Oct'2021, provisional/average bills have been served @ of 180 units, 216 units, 432 units due to defective meter.
- In the meanwhile, a new meter bearing Sl. No. WHL045744 has been installed on 02-12-2021 in the premises of the complainant.
- Therefore, it is decided by the Forum that, the average period bills should be revised.
- It is also noted that, a bill revision from Apr'2020 to Oct'2021 has already been done due to disconnection of power supply.

### **Directions of the forum**

- Any adjustments done during the revision period are also to be taken in to consideration.
