That the Complainant has raised objection regarding the provisional/average bills served to him. He requested for revision of bills and mentions about verbal complaint being made to the respondent earlier on.

### **Gist of Arguments made by the Parties**

Both parties were present in the hearing. The contentions made by the parties are as follows:

#### **1. Submission of the Complainant:**

- The complainant submits that, average bills have been served to him due to which high billings have been done resulted to accumulation of arrear.
- He further submits that; he had made verbal complain to the respondent about the erroneous bill.
- He also requested the Forum to revise the bills.

#### **2. Reply Submission of the Respondent:**

- The respondent produced the billing abstract from Feb'2019 to May'2024 and a PVR dated 18-06-2024 mentioning the meter reading as "625" KWH of meter no. LW323355.
- The respondent also agreed to the provisional/average billing from Feb'2019 to May'2019 and agreed for revision of bills. However, the respondent requested the Forum to take appropriate decision as necessary.

### **Findings of the Forum**

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents and provisions of law have concluded as follows:

- That the complainant has been given power supply on 23-02-2019 without a meter. From Feb'2019 to May'2019, provisional/average bills have been served @ of 25 units and 108 units due to without meter.
- In the meanwhile, a new meter bearing Sl. No. LW323355 has been installed on LW323355 in the premises of the complainant but reflected in Jun'2019.
- Therefore, it is decided by the Forum that, the average period bills should be revised.
- It is also noted by the forum that, a bill revision has already been done from May'2019 to Apr'2023 for late updating the meter change.

### **Directions of the forum**

In view of the above findings and discussions, the Forum is of the view that,

- The provisional/average bills served to the complainant from Feb'2019 to Apr'2019 are to be revised as per the average of six consecutive billing of new meter as per Section 155 and 157 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.
- Any adjustments done during the revision period are also to be taken in to consideration.
