Brief Facts of the Case

During the spot hearing at Kuarmunda Electrical Sub-division camp on dt.09.08.2024, the complainant appeared before the Forum whereas SDO Electrical, Kuarmunda appeared as respondent before the Forum.

Brief facts pertaining to the case are that the Complainant is a LT-Domestic consumer having consumer No. 8133-1104-0394 with connected load of 01 Kw. That the Complainant has raised objection regarding the provisional bills and high amount bill in Jan'2024 served to him. He requested for revision of bills and mentions about verbal complaint being made to the respondent earlier on.

Gist of Arguments made by the Parties

Both parties were present in the hearing. The contentions made by the parties are as follows:

Submission of the Complainant:

- The complainant submitted that provisional bills and high amount bill for 01/2024 have been served to him due to which high billings have been done resulted to accumulation of arrear.
- He further submitted that he had made verbal complain to the respondent about the erroneous bill.
- He also requested the Forum to revise the bills.

Reply Submission of the Respondent:

- The respondent produced the billing abstract from Mar'2009 to Jun'2024 and a PVR dt.06.08.2024 mentioning the meter reading as 98 Kwh of meter no. TWB639707.
- The respondent also agreed to the provisional billing from Jan'2022 to Nov'2022 and high bill of Jan'2024 and agreed for revision of bills. However, the respondent requested the Forum to take appropriate decision as necessary.

Findings of the Forum

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents and provisions of law have concluded as follows:

- That the complainant has been billed on provisional basis from Jan'2022 to Nov'2022 due to defective meter. Though a new meter installed during Jan'2024, the prorated bill generated for Jan'2024 is also wrong.
- A new meter bearing Sl. No. TWB639707 has been installed on dt.22.01.2024 in the premises of the complainant.
- Therefore, it is decided by the Forum that, provisional period bills should be revised.

Directions of the forum

In view of the above findings and discussions, the Forum is of the view that,

- The provisional bills served to the complainant from Feb'2022 to Jan'2024 (Two Years) are to be revised as per the average of six consecutive billing of new meter as per Section 155 and 157 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.
- Any adjustments done during the revision period are also to be taken into consideration.
- DPS charged on the wrong bills are also to be withdrawn.
