Corrigendum order to Complaint Case No. RKL/ 468 /2024

A typographical error has been noticed in this order which needed to be rectified as below.

1. In page 3. The portion "During Jan'2024, drop the case." may be read as

"

- The bills for Feb'2020 have been billed on actual basis with meter reading "010" Kwh. During Jan'2024, provisional bill has been served for 6358 units and from Feb'2024 to Mar'2024, average bills have been served.
- As per PVR submitted by respondent, the same meter is continuing now.
- Therefore, it is decided by the Forum that, the provisional/wrong billing period bills should be revised."

2. In page 3. The portion "Due to non-availability is rejected." may be read as

"

- The wrong bills served to the complainant from Apr'2022 to Mar'2024 (Two Years) are to be revised by taking average from IMR "010" (Feb'2020) and FMR "202" (Apr'2024) as per Section 155 and 157 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.
- Adjustments done during revision period are also to be taken into consideration.
- DPS charged on the wrong bills are also to be withdrawn.

The matter is closed herewith and the compliance report to be submitted to the undersigned on or before dated **31-10-2024.**"

The other part of the order will remain intact.
