ORDER

Brief Facts of the Case

During the spot hearing at Bonai Electrical Section of Rourkela Sadar Electrical Division camp on dt.18.09.2024, the complainant appeared before the Forum whereas SDO, Bonai, RSED appeared as respondent before the Forum.

Brief facts pertaining to the case are that the Complainant is a LT-Domestic consumer having consumer No. 8147-1415-0074 with connected load of 01 KW. That the Complainant has raised objection for average billing from Jul'2022 to Jun'2023 due to meter defect. He requested revision of bills and mentions about verbal complaints being made to the respondent earlier on.

Gist of Arguments made by the Parties

Both parties were present in the hearing. The contentions made by the parties are as follows:

Submission of the Complainant:

- The complainant submitted that average bills have been generated from Jul'2022 to Jun'2023 due to which high billings have been done resulting to accumulation of arrears.
- He further submitted that he had made verbal complaint to the respondent about the erroneous bill.
- He also requested the Forum to revise the bills.

Reply Submission of the Respondent:

- The respondent produced the billing abstract from Apr'2021 to Aug'2024 and a PVR dated 10-09-2024 mentioning the meter reading as "25" of meter no. TWSP51046438.
- The respondent also agreed to the provisional/average billing from Jul'2022 to Jun'2023 and agreed for revision of bills.
- However, the respondent requested the Forum to take appropriate decisions as necessary.

Findings of the Forum

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents and provisions of law have concluded as follows:

- That the complainant has been billed on actual meter readings up to Jun'2022 with a meter reading of "2012" of meter no. WCV19763. From Jul'2022 to Jul'2023, provisional/average bills have been served.
- A new meter bearing Sl. No. TWSP51046438 has been installed on dt.19.09.2023 in the premises of the complainant. The first bill of new meter is an actual bill served on pro-rata basis.
- Therefore, it is decided by the Forum to revise the average bills generated.

Directions of the forum

In view of the above findings and discussions, the Forum is of the view that,

- The provisional bills served to the complainant from Jul'2022 to Oct'2023 are to be revised as per the average of six consecutive actual billing of new meter as per Regulation 155 and 157 of the Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.
- Any adjustments made during the revision period are also to be taken into consideration.
- DPS charged on the wrong bills are also to be withdrawn.

The matter is closed herewith and the compliance report to be submitted to the undersigned on or before dated **31-10-2024**.

"If the complainant is aggrieved with this order or non-implementation of the order of the Grievance Redressal Forum in time, he/she can make the representation to the Ombudsman-II, Qrs. No. 3R-2(S), GRIDCO Colony, P.O: Bhoinagar, Bhubaneswar-751022 within 30 days from the date of order of the Grievances Redressal Forums".
