Both parties were present in the hearing. The contentions made by the parties are as follows:

#### **Submission of the Complainant:**

- The complainant submitted that provisional bills have been generated from Jun'2018 to Jul'2019 due to which high billings have been made resulting to accumulation of arrears.
- He further submitted that he had made verbal complaint to the Respondent about the erroneous bill.
- He also requested the Forum to revise the bills.

### **Findings of the Forum**

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents and provisions of law have concluded as follows:

- From Jun'2018 to Jul'2019, provisional bills have been served with 144 units per month, though the complainant has not consumed electricity.
